**M A D A M:**

*Greetings in the name of culture and arts!*

On behalf of the Student Affairs Division, we are writing to formally request an extension for the upcoming provincial audition scheduled in Bataan on March 5th. This request is being made to ensure that we can accommodate more students, allowing them to showcase their talents and potentially join our esteemed institution.

We have observed a significant increase in the number of interested participants from various schools across the province. Extending the audition timeline will enable us to manage this interest more effectively, ensuring every talented individual gets a fair opportunity. With more time, we can ensure a thorough evaluation of each participant, allowing us to identify the most promising talents who can benefit from the educational offerings at BHSA.

Additionally, we would like to inform the Academic Division of this proposed extension. The extension may require the presence of arts teachers in the onsite audition. I am confident that with collaboration and planning, we can accommodate these changes with minimal disruption. Thank you for considering this request.

Sincerely yours,

**MARGIOLEH ALONZO**
