Enclosure 1 of School Memorandum No. ____, s. 2025

MESSAGE OF THE SCHOOL DIRECTOR FOR BHSA PERSONNEL

Good morning, BHSA family.

Although I am away today, my thoughts and presence remain with all of you as we begin another week of service, growth, and purpose. Each flag ceremony is more than a moment of protocol. It is a sacred pause in our busy days, a time to reconnect with why we are here and who we serve. BHSA is not just a school. It is a living, breathing community of professionals, artists, educators, and dreamers, all working together to shape something larger than ourselves.

Thank you all for your tireless efforts, especially as we approached the close of the school year. Every drop of sweat was not in vain. Despite the uncertainty, the adjustments, and the challenges many of us faced. You gave your best. And because of that, we were able not only to survive, but to thrive, and to shine even more brightly. Our collaboration and unity continue to be our greatest strength. *Sa kabila ng mga hadlang, lagi tayong nagtatagumpay dahil batid ng sangkalangitan ang karangalan ng ating layunin.* Indeed, a blessing for BHSA because God is the one striding before us. *Ang langit, ang May Kapal ang humahayo sa ating unahan.*

To our **Academic Affairs Division**, thank you for upholding the integrity of teaching and learning. The work of forming young minds requires not only knowledge, but also patience, discernment, and the courage to reflect on our own methods. I encourage us to keep lifting one another up as we strive for excellence. Let us always remember that our students are always watching and learning, not just from our lessons, but from how we carry ourselves.

To the **Student Affairs Division**, thank you for being the heart of our learners' daily lives. You hold space for their challenges and guide them through their transitions. Let us continue to lead them by example, with fairness, empathy, and consistency, especially when the work gets heavy.

To the **Finance Division**, thank you for your vigilance in managing our resources. You ensure that every transaction is not only compliant but purposeful. As we navigate budget constraints and evolving needs, may we all remain committed to transparency and accountability.

To the **Administrative Division**, your efforts sustain the flow of this entire institution. Thank you for being the quiet engine of BHSA. As we move forward, may we continue cultivating clarity in communication, initiative in addressing gaps, and unity in execution.

To the key members of the **Office of the School Director**, thank you for holding the vision amid complexity. Our office is not only about leadership and perfection but about presence, humility, and the willingness to keep learning. I am

grateful for your support and your resolve to do the right thing, even when it is not the easy thing.

Let me also take this moment to gently remind us that we are all stewards of this institution. Whatever our role, we hold influence. Our actions, even in small moments, echo in the culture we build, in the trust we nurture, or in the doubts we may cause.

We are in a formative season. There will be growing pains. There will be questions. And at times, there may even be disagreement. But may these not divide us. Instead, let them draw us back to dialogue, to alignment, and to the shared belief that we are here not for power or position but for people. For learners. For the future of art and culture in our country. *Para sa bata, para sa bayan.*

I believe in the power of this community. I believe in your goodness, your potential, and your capacity to rise above confusion with clarity, and to meet tension with grace.

BHSA is becoming. And each one of us is part of that becoming.

May this week bring us renewed focus, a deeper sense of responsibility, and the quiet pride that comes from serving with heart.

Mabuhay po tayong lahat!
